National Seminar
On “Recent Trends and Advancement in Alternatives to Animal Experiments”
(Saturday, 1st Oct 2016)
Sponsored by M. P. Council of Science and Technology

REGISTRATION FORM

Name (Mr./Mrs./Ms./Dr./Prof.)____________________________________
Designation________________________________________________________
Institute/Company___________________________________________________
Address for correspondence____________________________________
__________________________________________________________________
Mobile No._____________________________________________________________
Email Id_____________________________________________________________

Please Specify interest (Poster/Participation):
__________________________________________________________________
__________________________________________________________________
Title of Paper________________________________________________________
__________________________________________________________________
Co-Authors___________________________________________________________

REGISTRATION FEE

Amount: (Cash/DD):___________Date:___________
Registration No.: RKDFIPS/MPCST/NS/___________
Received by:________________________Signature:_______________________

REGISTRATION FORMS SUBMITTED TO

Registration Committee: RKDF Institute of Pharmaceutical Sciences, Indore - Dewas Bypass Road, Arandia, Indore - 452016 (M.P).
Contact No: 9630451510, 9753950080
Email: rkdfipsseminar2016@gmail.com

REGISTRATION RECEIPT

Registration No: RKDFIPS/MPCST/NS/______ Name:_____________
Institute:___________________________________________________________
Authorized Signatory:_____________________________________________

Chief Patron
Dr. Shruti Kapoor

Patron
Mrs. Deepika Pathak
Dr. R.K. Tugnawat
Mr. Gulshan Kapoor

Coordinator and Conveneer
Dr. Arun Kumar Gupta

Advisory Committee
Dr. Raghvendra Dubey
Dr. Revathi A Gupta
Mr. Rakesh Jatav

Organizing Committee
Co-convener
Mr. Harit Rawal

Registration Committee
Mr. Gaurav Jain
Mr. Mohit Chaturvedi
Mr. Manohar Chauhan
Mrs. Sunita Patidar
Ms. Shweta Shrivast
Mr. Deepak Sen

Scientific Committee
Dr. Sumeet Dwivedi
Mrs. Jaya Sharma
Mr. Atul N. Chaudhary
Ms. Sweta Kulkarni
Ms. Divya Kanungo

Venue Committee
Mr. Ankit Sahu
Ms. Purvi Dubey
Ms. Smriti Mahiya
Mrs. Nutan Mimrot
Mr. Jagdish Sura

Hospitality Committee
Mrs. Pooja Panchoi
Ms. Neetu Chaudhary
Ms. Laxmi Vishwakarma
Ms. Shuchi Jain
Ms. Pragya Sharma

Presentation Committee
Mr. Paras Bodana
Mr. Shailendra Kumar
Mrs. Shikha Jaiswal

Media and Publicity
Mr. Chintaman Kumawat
Mr. Deepak Gupta
Mr. Sunil Nagar

Discipline Committee
Mr. Rajesh Nagar
Mr. Girvar Singh Kelkar
Ms. Suman Ghelot
Mr. Ganshyam Nagar
Mr. Shivraj Ahirwar
Ms. Smeha Babele
Mr. Hemant Verma

Address for Correspondence
RKDF Institute of Pharmaceutical Science
Indore-Dewas Bypass Road, Arandia,
Indore - 452016 (M.P).
Contact No: 9630451510, 9753950080

Sponsored by
M. P. Council of Science and Technology

Supported by
Dr. A.P.J. Abdul Kalam University, Indore

Organized By
RKDF Institute of Pharmaceutical Sciences, Indore
About the Institute
RKDF Institute of Pharmaceutical Sciences is a premier institute established in year 2006 by Ayushmani Educational Society. The motto is to impart knowledge and skill based education in the field of pharmacy. The institute is running the undergraduate and post graduate courses with well-qualified and experienced professionals. The institute is located at a peaceful lush green environment at Arandia, Indore (Near Talawali chanda), just 12 km away from Vijay Nagar. The institute has a glorious building with spacious class rooms, seminar hall library etc. Our laboratories are well equipped with sophisticated instruments.

About Seminar
Every year millions of experimental animals are used all over the world. The number of animals used in research has increased with the advancement of research and development in medical technology. The pain, distress and death experienced by the animals during scientific experiments have been a debating issue for a long time. Besides the major concern of ethics, there are few more disadvantages of animal experimentation like requirement of skilled manpower, time consuming protocols and high cost. Various alternatives to animal testing were proposed to overcome the drawbacks associated with animal experiments and avoid the unethical procedures. The seminar has evolved mainly with the aim to avoid the use of animals for toxicological research and testing. With the increased threat of reduction in the number of animals several alternatives such as in vitro testing, in vivo imaging and computational techniques are being developed.

Objectives
The national seminar has been focuses to enhance knowledge dissemination among its varied range of participants including eminent speakers, renowned scientists, industrialists, young researchers and students. The seminar fosters the better understanding of latest scientific researches by providing a global exposure to its participants where they can associate with relatable professionals.

Topics to be discussed
The seminar will discuss the various aspects on newer techniques for alternatives to animal testing such as
- To spread awareness amongst the students and academicians about the advancements in animal testing
- To inculcate recent advancements in the field of toxicity testing and prediction of toxicity.
- In vitro cell culture and In silico computer simulation techniques
- To provide a platform for informative & interactive sessions for participants to upgrade their knowledge in the new emerging areas
- To boost the development of test methods that avoid the use of live animals by encouraging young pharmacists to expand innovative, competitive and cost effective methods

Call for Abstracts
The scientific committee cordially invites all the PG & UG students, Research Scholars, Academicians and People who involved in field of pharmaceutical sciences. Abstract should be submitted in MS Word on or before 25th Sep 2016. The text of the abstract should be in Times New Roman using font size of 12 with title in bold. The abstract should not be more than 250 words. Selected abstract will be published as conference proceeding. All the accepted paper will be published in International Journal of Pharmacy and Life Sciences (www.ijplsjournal.com).

Important dates:
- Last date of abstracts submission: 25th Sep 2016
- Abstract acceptance announcement: 27th Sep 2016
- Last date of registration: 27th Sep 2016

Mail your Abstracts & Registration to
email: rkdfipsseminar2016@gmail.com

Resource Persons
Eminent academicians, Researcher, Professional, Scientist and experts from universities, industries and research organizations of repute will share their research experience on the topic.
